The plan will coordinate all resources of the University in a systematic and appropriate response.

2. PURPOSE

2.1. The purpose of The University Crisis Plan is to serve as a guideline for developing and implementing an effective, efficient and timely response to any crisis affecting the University community.

3. DEFINITION

3.1. A “Crisis” may be defined as a situation, or the threat of an impending situation, which abnormally affects the lives, health, safety and property of the members of the University community or which may be expected to adversely impact the operation, reputation or normal activities of the University.

4. LEGAL AUTHORITY

4.1. The University Crisis Plan has been endorsed by the Board of Governors of McMaster University and is issued under the authority and signature of the President. It is, in all respects, a University policy document.

5. RISK POTENTIAL

5.1 Overview

## 6. LIABILITY

- 6.1. **Members of the CMG, when acting under the provisions of the University Crisis Plan, are deemed to be acting as agents of the University and are not individually responsible for decisions of the Group. The University accepts liability for the actions and decisions of the CMG provided that such actions or decisions are shown to be "prudent" and are made in "good faith."**

## 7. DECISION MAKING

- 7.1 **When assembled, the CMG is responsible for deciding on all appropriate measures to be taken in response to a University crisis. Decisions will normally be reached through the process of informed discussion and consensus of all members present. Where time precludes or consensus cannot be reached, the chair or acting chair of the CMG will take note of all points of view and will confirm a decision for the CMG. Written minutes of CMG meetings and all external discussions will reflect the practice of "cabinet solidarity." CMG members who are unable to accept this practice may resign from the CMG at any time "without prejudice."**

## 8. NOTIFICATION PROCEDURES

- 8.1. **Any member of the CMG may request that the Group convene to consider a possible, pending or actual crisis situation affecting the University. Notification will be done by the University Security Services dispatcher in accordance with the procedures set**
