

Job Description for Temporary, Casual or Interim Positions

Job Title	Standardized Patient		
Interim Job Code	INT013	Pay Grid	Temporary
Student Work Program Job Code	WPS013	Pay Grade	Level 1

Job Summary

Portray the characteristics of a real patient, simulating the prescribed signs and symptoms in a consistent and accurate manner. Interact with students in the health care profession during simulated patient scenarios designed to enable experiential learning and/or assess skills of the students.

Accountabilities

1. Read, memorize and simulate a prescribed scenario, including history of current problem, affect/behavior and physical findings in a standardized, accurate and reliable manner.
2. Understand and follow instructions, as directed by a Standardized Patient Educator.
3. Allow physical examination by students and faculty to aid in the students' learning experience.
4. Accept ongoing feedback from facilitators and incorporate into the case simulation.
5. Provide constructive feedback to students and colleagues, as requested.

Qualifications

Education: No minimum level is required.

Experience: Acting experience is an asset, but is not required.

Working Conditions

- Work may require some moderate physical effort to simulate prescribed signs and symptoms.
- Work completed under general guidance and direction.
