Legend

X Mandatory

* Mandatory if currently working on campus or before your return to campus for work purposes.

⊗ Required if working with the hazard or supervising staff who work with the hazard

~ As New products, equipment and technology take place training is required

All training to be completed as soon as practicable upon hire and prior to working with hazard.

Supervisors may request at their discretion the worker to complete refresher training of the current health and safety courses offered by the University on a more frequent basis as is deemed necessary, ie. conditions change, new information or hazards are introduced.

Supervisors please note RMM #300 (Safety Training & Orientation) all undergraduate students (and placement students) shall have safety orientation training prior to commencing labs
