Dear International SOS and Control Risks,  
Please provide a travel security brief for the following itinerary:

**Dates of Travel:**

**Number of Travelers:**

**Traveler profile:**

**City:** X

**Country:** Y

**Local support:** Will travelers be visiting a local office / working on behalf of a local client or partner company?

**Places to Visit:** Name and address of places to visit: hotel, office, other meeting locations

**Safe areas for lodging or hotels to avoid:** Do you want a recommendation for areas to look for hotels?

**Ground Transportation Recommendation:** Do you want a provider referral?

**Other Considerations:** Would you like medical risk information too?
