

Resilience

How can you turn life's challenges into opportunities?

This course features video segments of a psychology expert and four people learning to become more resilient. The course features before-and-after testimonials, interviews with a psychologist, and step-by-step exercises.

Course Contents

- How to think optimistically and control negative or self-defeating thoughts.
- How to learn from feelings and use them to propel yourself to action, rather than paralyze you with inaction.
- How to take constructive steps towards changing your behaviour.
- The importance of staying connected to friends, family, work, and whatever provides meaning to your life.

Additional Features

- Self-guided workbooks for completing offline.
- Resources for continued learning.
- Course certificate can be printed following successful completion of course learning quiz.

Estimated time to complete this course is 2 hours (60 minutes online; 60 minutes of printed workbook material).
