INSTRUCTIONS

- 01** Use the enclosed template and with a pencil, trace ears and body onto felt; cut out.
- 02** Cut inner ears from felt in a contrasting colour.
- 03** Glue the face and inner ears in place.
- 04** Make slits in the body for ears and candy cane tail where marked; to make cutting easier, fold felt across centre of slits and snip.
- 05** Slip ears through body slits, tucking the end underneath the ear piece at the back.
- 06** Glue the googly eyes and glue the pom pom for a nose.
- 07** Insert candy cane and give your new mouse friend a name!
