☐ I have been fully vaccinated for COVID-19.

☐ I am fully aware of costs associated with COVID-19 testing, financial ability to adhere to hotel stays for quarantine requirements or other protocols to be observed in the country of choice.

☐ I have research thoroughly the country/state, documented and understood to include: mandatory COVID-19 testing requirement, quarantine requirements for the area and associated cost, status of current COVID-19 conditions, student knowledge of COVID-19 protocols, packing medical masks and hand sanitizer (as flight may allow), vaccine status in country, status of new variant and related vaccine efficacy, health care system level, availability to manage COVID-19, ventilator, oxygen availability.

☐ I have been provided an option for student placement locally and/or virtual option.

☐ I will continue to monitor Global Affairs Canada for newest travel advisory information.

☐ I will inform my placement employer if I feel I am in an unsafe condition and will leave if not corrected.

☐ I am aware I may not be physically able to leave the placement country right away due to travel bans, quarantine or testing requirements.

☐ I have asked questions and obtained key information prior to my placement to properly assess and share with signatories in order to provide an informed decision to proceed with student placement.

Declaration of Health Status

I understand that participation in this field trip or elective may involve strenuous effort and or foreign travel. In either case, my health may be affected by activity levels to which I am not accustomed or by exposure to endemic disease in foreign locations. I accept personal responsibility for securing the advice of a health practitioner (preferably a family physician) prior to participating in this field trip and for obtaining the inoculations that are required by the country of destination or by Canadian authorities.

I recognize that some pre-existing medical conditions, while not a serious health threat when medical services are readily available, may be life threatening in remote locations. I take full personal responsibility for my known pre-existing medical conditions. For conditions that I choose to reveal, I will make personal arrangements with another field trip participant so that symptoms of distress can be recognized. For conditions that I choose not to reveal, I take full personal responsibility.

I have been made aware of the risks involved in this field trip or elective placement and have evaluated the need for a physical check-up and/or prophylactic measures.

I hereby declare that I am medically fit to engage in this field trip/elective.
