

International Travel Checklist Outside of RMM 801 Faculty/Staff

- I understand that my Health Insurance must include COVID-19 illness/exposure coverage.
 - I have been fully vaccinated for COVID-19.
 - I am fully aware of costs associated with COVID-19 testing, financial ability to adhere to hotel stays for quarantine requirements or other protocols to be observed in the country of choice.
 - In the event I fall ill with the COVID-19 virus abroad, I am prepared that I will most likely be required to stay in the country to recover and complete any testing required to leave that country.
 - I have researched thoroughly the country/state, documented and understood risks to include: mandatory COVID-19 testing requirement, quarantine requirements for the area and associated cost, status of current COVID-19 conditions, student knowledge of COVID-19 protocols, packing medical masks and hand sanitizer (as flight may allow), vaccine status in country, status of new variant and related vaccine efficacy, health care system level, availability to manage COVID-19, ventilator, oxygen availability.
 - I will continue to monitor [Global Affairs Canada](#) before and during departure for newest travel advisory information.
 - (For Canadians only) I have registered with [Global Affairs Canada](#) website as a Canadian travelling abroad and have downloaded the [Travel Smart app](#).
 - I will inform my placement employer if I feel I am in an unsafe condition and will leave if not corrected.
 - I am aware I may not be physically able to leave the country right away due to travel bans, quarantine or testing requirements.
 - I have obtained key information prior to my departure to properly assess my proposed location of travel in order to make an informed decision to proceed with travel.
 - For various reasons I may need to abruptly cancel the remainder of my trip and return to Canada. There may be my own costs incurred as a result.
