Did you know?

Santa was given an official pilot’s license in 1927.

Santa Advent Calendar Craft

Supplies:

- Santa Template
- Cotton balls
- Ribbon to hang
- Small black eyes
Directions:

1. Color and decorate your Santa

2. Punch a hole at the center of Santa’s hat, or glue the ends of the ribbon to the back. Then tie the ribbon.

3. Santa’s beard is very bare, on his chin there is no hair. So each day add a puff of white. When his beard is full, he’ll come that night.

4. Make sure to write your name and year on the back for a nice keepsake.
