

# Understanding My Coverage

## Important information on international travel

We offer our Travel Benefit in partnership with Allianz Global Assistance. Allianz Global Assistance is a world leader in the travel insurance and assistance industry. While the Government advises on non-essential travel to many regions, if you plan to travel, here's some important information.

**If you're traveling** please ensure you read the terms and conditions of your policy prior to any travel. You should confirm that your travel insurance:

- includes health coverage for your destination, and
- doesn't have a specific exclusion for your destination.

Furthermore, major disruptions of service can happen in any country at any time based on unforeseen events. The Government of Canada has [travel advisories](#) in place. We encourage you to visit the Government of Canada website to learn more.

### **In the event of an emergency:**

- You can call Allianz for assistance at **1-800-511-4610**. They are available 24/7 and their number is toll free.
