It is my privilege to be a member of our innovative and inclusive McMaster community which welcomes the diverse talents of approximately 15,000 faculty, research, staff and student employees.

McMaster understands that people are the university’s most valuable asset. No matter your role, McMaster is better because you are here. The human resources service department is here to support you with everything from onboarding to health & safety to your own development and career growth.

We look forward to partnering with you as we continue to make McMaster a wonderful place to learn, work and thrive.
