### INDEPENDENT AUDITORS' REPORT

### To the Administrator

We have audited the calculation of the annual pension increase, effective January 1, 2019, for The Contributory Pension Plan for Salaried Employees of McMaster University, including McMaster Divinity College and The Contributory Pension Plan for Salaried Employees of McMaster University, including McMaster Divinity College 2000. The financial information has been prepared by management in accordance with the approved amendments to Section 5.08(a) of The Plan text dated November 20, 2002.

## Management's Responsibility for the Financial Information

Management is responsible for the preparation of the financial information in accordance with the approved amendments to Section 5.08(a) of The Plan text dated July 1, 2002, and for such internal control as management determines is necessary to enable the preparation of financial information that is free from material misstatement, whether due to fraud or error.

### Auditors' Responsibility

Our responsibility is to express an opinion on the financial information based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial information is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial information. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial information whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial information in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial information

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the annual pension increase, effective January 1, 2019, of 1.89% for The Contributory Pension Plan for Salaried Employees of McMaster University, including McMaster Divinity College and The Contributory Pension Plan for Salaried Employees of McMaster University, including McMaster Divinity College 2000, is prepared, in all material respects, in accordance with the approved amendments to Section 5.08(a) of The Plan text dated July 1, 2002.
